**CITY SCHOOL BOARD**—The regular meeting of the City School Board for July was held last night, present the Superintendent and Messrs. Addison, J. S. Beach, W. F. Carne, Wheat and Whittington. Mr. Edward J. Evans, elected in May last a trustee from the 4th Ward, vice Klipstein, non resident, and Mr. E. Snowden, Jr., on Wednesday night elected a trustee from the 2d Ward, vice Keil, changed residence, appeared, and both having previously taken the oath of office before the Superintendent, took their seats as members.

In the absence of the chairman and clerk from the city, Mr. Wm. F. Carne was elected chairman pro tem, and the Superintendent was requested to act as clerk, and the minutes of the last meeting were read and approved.

Mr. Beach, from the Committee on Studies and Discipline, reported in favor of consolidating the white schools into two, one male and one female, with the following course of study: Sixth Grade—Alphabet, Spelling, Reading, learning to make figures, Enumeration and Addition.

Fifth Grade—First Reader, Addition and Subtraction, with continued practice in Enumeration.

Fourth Grade—Second Reader, Subtraction, Multiplication, Division, and Spenserian Penmanship.

Third Grade—Third Reader, Long Division and Fractions, First Lessons in Geography, Spenserian Penmanship.

Second Grade—Fourth Reader, Decimals and Denominate Numbers, World we live in, Primary Grammar, and Spenserian Penmanship.

First Grade—Fifth Reader, Manual of Geography, Advanced course of English Grammar, Simple Proportion to the end of Davies' Practical Arithmetic, and Spenserian Penmanship.

The Superintendent to have power to alter this grading in particular cases, if necessary.

On motion of Mr. Whittington, the report was adopted.

The Superintendent, from the Committee on School-houses and Furniture, reported that that committee had purchased Mr. John S. Beach's school furniture for \$142.50, which report was accepted.

Mr. Wheat, from the Finance Committee, reported as correct the following bills, which were ordered to be paid, viz:

John S. Beach, furniture, \$142.50; John W. Campbell, Commissioner of the Revenue, taking school census, \$84.16; Richard J. Collins, services as clerk to August 1st, \$37.50; Richard L. Carne, balance due him on cash advanced for putting in coal and wood and other small items for schools, \$2.50.

The Superintendent laid before the Board a letter from Wm. F. Powell, principal of Snowden School, suggesting a course of study for colored schools, and asking the Board to adopt a system of certificates of merit.

On motion of the Superintendent, it was Ordered, That the Superintendent arrange the course of study in colored schools to accord as nearly as may be with that adopted for white schools, and that the use of Davies' Elementary Arithmetic be discontinued.

On motion of Mr. Whittington, so much of the communication as related to certificates of merit was referred to the Committee on Studies and Discipline.

The Superintendent reported the purchase of twenty-five handsome volumes for the nucleus of a teachers' library, from A. S. Barnes & Co., at a very reduced price, in accordance with the previous order of the Board, which report was accepted. He, also, reported a plan for school registers, and on motion of Mr. Wheat, he was authorized to procure such registers on as reasonable terms as possible.

On motion of the Superintendent, Mr. Wheat was appointed a special committee to contract for not exceeding fifty tons of coal, to be delivered to the schools during the winter.

On motion of Mr. Beach, the Committee on School-houses and Furniture was authorized to have the furniture, &c., in the colored school houses painted, provided the trustees would allow the cost to be deducted from the rent.

Mr. Wheat, the special committee appointed to settle accounts with the President of the County School Board, reported that instead of owing the county four or five hundred dollars as had been thought, the Superintendent had discovered that the city had yet a claim on the Sheriff for 1879. The figures are as follows, the delinquencies being subject to some slight change, perhaps, on the presentation of the delinquent list.

City Assessment, 1870—Real Estate, \$3,692,955.00; Personalty, \$1,152,355.35; Total, \$4,845,310.35. Tax at .08 amounted to \$3,876.23; from which, deducting delinquencies, \$163.55, and commissions \$278.45, there was due the city \$3,434.23, of which the Sheriff has paid over \$3,084.86, leaving \$349.37 yet in his hands.

County Assessment, 1870—Real Estate, \$701,581.50; Personalty, \$177,488.06; Total, \$879,069.56. Tax at .08 amounts to \$703.25; from which, deducting delinquencies, \$27.04, and commissions, \$50.71, there was due the county \$625.50, of which \$598.12 has been paid, leaving \$27.38 in the hands of the Sheriff.

The report was accepted, and at 9 p.m., the Board adjourned.

**GREELY AND BROWN CLUB**—A meeting of the Greely and Brown Club was held last night in Harlow's building, Orlando Wood in the chair and Joseph W. White secretary.

The minutes of the last meeting having been read and approved,

On motion of Joseph W. White, the meeting was changed from Fridays to Wednesdays.

Rudolph Massey suggested that during the warm weather a meeting once a month would be sufficient, but no action was taken upon the suggestion.

Y. H. Howe Peyton thought something ought to be done to create an interest in the meetings, and moved that two of the members of the club be directed to prepare addresses upon the political issues of the day, to be delivered alternately, each meeting night.

The motion prevailed, and Messrs. Peyton and M. D. Ball were appointed the orators.

In response to calls, Mr. Peyton then addressed the club, his theme being the corruption of the present Administration, and the bright prospects for the country in the event of the election of Greely and Brown. His remarks, which were sound, logical, and convincing, and delivered with force and eloquence,

were frequently applauded, and in conclusion, the speaker promised that by the next meeting he would prepare himself so as to do justice to the subject and himself.

J. W. White moved that the Executive Committee be enlarged to three from each ward, and suggested that there should be some Liberal Republicans on it.

Rudolph Massey thought it would be policy to have on the committee a good colored man. In the absence of the President of the club, it was, however, deemed advisable to take no action in the premises, and to wait until next Wednesday night, when the question will be brought before the club on a motion to change the committee.

On motion of Jos. W. White it was resolved that the Club participate in the ratification celebration on the night of August the 15th. The meeting then adjourned until Wednesday night next.

**RADICAL WARD MEETING**—A meeting of the Fourth Ward Radical Club was held last night, at the Colored Odd Fellows' Hall, on south Columbus street, J. A. Seaton in the chair and G. W. Mitchell secretary.

The chair congratulated the meeting on the attendance, and stated the object to be to appoint delegates to the County Convention to nominate delegates to the District Congressional Convention, which meets in this city on the 29th.

A vote being taken, Lewis Harkley, Robert Gaines, J. H. Clagett, L. B. Pratt, J. A. Seaton, O. C. Whitteley, and P. R. Evans were chosen delegates, and John Watson, James Thompson, J. W. Beckey, and E. R. Beckley alternates.

The election over, the chair said he was sorry the crowd was so slim, but hoped G. W. Mitchell would make a few remarks, which he (M.) proceeded to do upon the duty of the colored people to vote for Grant, because Greely was not in favor of equal rights in the hotels, restaurants, barber shops, &c.

After the speaker had proceeded some time in a very dry harangue, the chairman calling some one else to preside, quietly went out, and was followed, in a few minutes, by the reporter, as it was evident nothing worthy of notice would happen, and the audience began to manifest evident signs of weariness.

**COMPLETION OF SCHOOL CENSUS**—Messrs. Orlando Wood and James L. Adams, special deputies appointed for the purpose by Mr. John W. Campbell, Commissioner of the Revenue, returned, this morning, to the clerk of the City School Board, the census of persons between the ages of 5 and 21 years residing within the city limits. The whole number is four thousand and two hundred and eight, of whom two thousand six hundred and one are white, and one thousand six hundred and eighty-seven are colored. There are twelve hundred and eighty-eight white boys and thirteen hundred and eighteen white girls, over five years of age, showing the sexes to be very nearly even in number; but among the colored people there is a preponderance of sixty-three on the side of the females, there being only seven hundred and seventy-two boys to eight hundred and thirty-five girls. The census takers report that the number of children under five is almost incalculable; they often found five in a single family.

As compared with the school census of 1870, (which was, however, supposed to have been imperfectly taken) this census shows an increase of eight hundred and seventy-eight persons of school age. Of the increase four hundred and eighty-four are white, two hundred and thirty-three are colored, and one hundred and fifty-one are girls; and three hundred and ninety-four are boys; one hundred and sixty-nine, boys and two hundred and twenty-five girls. Nearly nine hundred dollars more of State school money will be secured to the city by this increase.

**A NUISANCE ABATED**—A heretofore mentioned in the Gazette, sews from Washington have for several days past been depositing their cargoes of filth in the river opposite this city. The fact became notorious, and was alluded to in the last meeting of the Common Council. Yesterday, Superintendent of Police, Clifford, determined to put a stop to it, and has apparently succeeded. Being informed that two sews were depositing their loads in the river opposite the Light House, he chartered the tug Belle Haven, and accompanied by Capt. Webster and a detail of five policemen, steamed over there, seized the sews and the tug Belle Haven, and towed them here and tied them up at the wharf at Belmont.

The Captain of the Belle Haven was taken before Justice White, but swearing that he would not commit the like offense again, and paying the costs, including that of the chartered tug, he was released and permitted to take his tow back to Washington.

**MAYOR'S OFFICE**—The charges brought by Lieb Gentsberger against readman John A. Nightingall, for searching his house without a warrant, and detaining his wife, was not sustained, and costs assessed against complainant, as it appeared that the officer was in the discharge of his duty, searching for and finding a dog on which no license tax had been paid.

John Colston, alias Mumps, colored, for disorderly conduct, was discharged with an admonition.

**NIGHT REPORT**—Night clear and cool. There were no disturbances and only one prisoner in the station house.

**THE MARKET**, this morning, was abundantly supplied with country produce and a long line of wagons and carts extended down Royal street. The butchers had excellent fresh meats—at former prices. Vegetables and fruits were plentiful. Tomatoes 30 to 40 cts. per cask; lima beans 25 cts. per quart; cucumbers 30 cts. per doz.; cabbage from 5 to 15 cts. according to size; potatoes 30 to 40 cts. per cask; beets 34 cts. per bunch. Peaches \$1 per cask; pears (fine) 80 cts. per cask; apples from 25 to 50 cts. per cask. Blackberries and whortleberries 8 to 10 cts. per quart. Eggs 25 to 25 cts. per doz. Butter from 20 to 40 cts. per lb. Watermelons, according to size and quality.

**DANGEROUS**—Some of the steamboats that run from Washington to points below this city pass by here at such a rapid rate of speed, and so close to the port walls, that it is dangerous to the safety of vessels lying at the wharves. The schooner W. D. Hilton at the wharves of the American Coal Company, had her moorings broken there, this morning, from the cause mentioned, and yesterday, after a canal boat lay at the same wharves, her sides stove in, and had she been loaded would have sunk. The captains of the boats committing this sort of offense violate both U. S. and Corporation laws, and subject themselves to heavy penalties, which possibly, may be exacted.

**BOARD OF HEALTH**—The Board of Health met yesterday evening in the rooms of the Young Men's Christian Association, Dr. Bedford Brown, Health Officer, ex-officio president, and organized by the election of Jas. Butwile, Jr., secretary and Lemuel Robey member. Six members only were present. The city was divided into nine districts, each of which will be thoroughly inspected.

**COAL SHIPMENTS**—The shipments of Cumberland coal from this port during the week ending to-day, were as follows: American Coal Company, 5,704 tons; J. P. Agnew, 2,762 tons; Hampshire and Baltimore Coal Company, 1,100 tons.

**SEMI-WEEKLY TRIPS RESUMED**—It will be seen by reference to the advertisement, that the steamer Wawaset will, on and after Tuesday, the 6th of next month, resume her semi-weekly trips on the lower Potomac route.

## GOOD TEMPLARS.

At a meeting of Belle Haven Lodge, No. 24, Good Templars, held last night, the following named officers were elected to serve for the ensuing term: I. C. O'Neal, W. C. T. R. J. Millard, W. V. T. L. D. Harrison, Recording Secretary; H. L. Coleman, Financial Secretary; Robert Davis, W. T. C. Patton, W. M.; Miss Hamlin, chaplain; T. S. Haxthurst, I. G.; Charles Rumley, O. G.

**SOUTHERN MAIL**—The double daily mail service from the postoffice in this city to the South, was resumed last night, the second mail closing at 8:50 p.m., and leaving on the through train on the Alexandria and Fredericksburg Railroad.

**COUNTRY PRODUCE**—The following are among the receipts by the W. & O. R. R. this week:—Wheat 470 bushels, corn 80, fruit 31 boxes and bbls, eggs 47 boxes and bbls, butter 80 bbls and kegs, fowls 25 coops, calves 43, hides 4 bundles, stock 1 car load, w-o 8 car loads, milk 320 gallons.

**Local Brevities.**—The weather to-day has been like that of early fall.

Tiplett's distillery, the seizure of which was mentioned in yesterday's Gazette, is in Paris, Fauquier county, Virginia.

A Greely and Brown flag pole, 120 feet high, will be erected on the Strand, just south of King street dock, on Monday morning.

Most of the Alexandria party who left here for Cobb's Island, have returned, but all express themselves as delighted with their trip.

Among those who have recently returned from summer jaunts, is Mr. L. Schwartz, of the Scepta Hall clothing house, who, for the past two weeks, has been sojourning at Long Branch.

A young man named Henry Puss, an employee of the O. & A. M. R. R. Co., fell through the sky light of the machine shop, at the Henry street depot, to-day, and was badly injured.

William C. Jefferson, of this place, was not implicated in the robbery at Pittsburg, Pa., for which Strien and Gordon were arrested, but is still employed by the P. R. R. Company in that city.

It is understood that notwithstanding the threats and other attempted intimidations used by the local leagues at Arlington, a considerable number of the colored people there express their determination to vote for Greely.

Mr. C. W. Bontz, a clerk in the Post Office in this city, has occupied his present position for upwards of twenty years. Through all the changing and eventful scenes of these many years, he has faithfully discharged his duties and has the respect and confidence of all with whom he has come in contact.

Don't forget the free concert to be given at Fritz Schneider's Summer Garden, 115 King street, to night.

On the fourth page of to-day's Gazette will be found the R.venue and Salary acts.
